

Tata Steel has signed a long-term agreement with Angul Sukinda Railway (ASRL) to invest Rs 400 crore in the construction, operation, and maintenance of an extra rail line to serve the Kalinganagar Steel plant's logistical needs.

The Ministry of Railways established Angul Sukinda Railway as a special purpose vehicle for the development, funding, construction, operation, and maintenance of a 104.24-kilometer wide gauge single railway line between Angul and Sukinda in Odisha.
