

Telangana to get a milk processing plant with 5 LLPD capacity from
leading player | 1

The marketer of Amul, Gujarat Cooperative Milk Marketing Federation Ltd (GCMMF), announced that it has located property in Vargal, close to Hyderabad, where a 5 lakh litres per day (LLPD) milk processing plant might be built.

The upcoming plant will be set up through one of the 18 GCMMF member dairy unions, Sabar Kantha Districts Cooperative Milk Union.

“Very soon we are going to set up a 5 lakh litres dairy plant at Vargal about 50 km from Hyderabad. A 25 acre land is identified at the new industrial processing zone. The modern plant will process milk, ice cream, and other value added products,” said a top official. The procurement of milk will take place from the dairy producers of Telangana.
