

The tender procedure for the building of the Haryana Orbital Rail Corridor Tunnel (HORC Tunnel) will be finished by December. During the month of July, tenders will be invited. Haryana Rail Infrastructure Development Corporation Limited has had extensive discussions with tunnel construction companies about the 4.69-kilometer HORC Tunnel, which would be a significant section of the Haryana Orbital Rail Corridor, which will be built parallel to the Kundli Manesar Palwal Expressway (Western Peripheral Expressway).

At the Haryana Bhawan meeting, representatives from 20 tunnel construction businesses were present.

Haryana Infrastructure Development Corporation Limited undertook comprehensive conversations with tunnel building businesses about the newest technology.
