

Som Distilleries and Breweries Limited said trial production using the increased capacity at the Odisha Plant has started.

This is an exciting turning point for the business as it broadens its product line and boosts its capacity for production. By the beginning of next month, the commercial production is anticipated.

“This marks an exciting milestone for our company as we expand our product offerings and increase our production capabilities. The commercial production is expected by early next month,” the company said.

Early this month, the company announced that its flagship, Hunter, emerged as the number one strong beer brand Delhi in May.

In the quarter ended March 2023, the company reported a 148 percent jump in its net profit at Rs 15.87 crore from Rs 6.39 crore in the year-ago period.
