

The first two units of the Subansiri Lower hydroelectric project in Arunachal Pradesh would be operational by August of next year.

The National Hydroelectric Power Corporation (NHPC) chairman and managing director, AK Singh, briefed the visiting Parliamentary Standing Committee on Energy (2021-22) on the project's progress.

According to the official, the first two units, each with a 500 MW generation capacity, will be ready for commissioning by August of next year.
