

Ram Chandra Prasad Singh, Union Minister of Steel, paid a visit to the Blast Furnace Unit to lay the foundation stone for the Kudremukh Iron Ore Co.Ltd (KIOCL) Coke Oven Plant at Panambur Mangalore.

The proposed project involves the construction of a 2.0 LTPA Ductile Iron Spun Pipe Plant under forward integration and a 1.80 LTPA Coke Oven Plant under backward integration at the Blast Furnace Unit at a cost of Rs 836.90 crores, with a completion time of 24 months from the date of order placement with the main technological package supplier. T Saminathan, KIOCL's CMD, claimed that with the proper patronage and backing from the Steel Ministry, this Mini Ratna CPSU is all set to reclaim its former glory by showcasing its core strength in the mining and pelletization industries.
