

Dr. Mansukh Mandaviya, the Union Minister for Health, Family Welfare, and Chemicals and Fertilizers, inspected the development of the FCIL Talcher unit with Dharmendra Pradhan, the Union Minister for Education, Skill Development, and Entrepreneurship in Odisha's Angul. The restoration of the FCIL Talcher unit is being carried out by [Talcher Fertilizers Ltd. \(TFL\)](#), a firm promoted by [GAIL \(India\)](#), [Rashtriya Chemicals & Fertilizers Ltd. \(RCF\)](#), [Coal India Ltd. \(CIL\)](#), and [Fertilizers Corporation of India Ltd. \(FCIL\)](#).

Speaking on the occasion Dr. Mandaviya said, "Government is taking significant steps in making country Aatmanirbhar, and the fertilizer sector is one of them. By utilizing new technological interventions like coal gasification in our fertilizer plants and using our own sampada (resources) like coal, India is moving towards self-sufficiency in the Urea sector. With this vision, Government of India has been reviewing the progress of Talcher unit which will be India's largest and first coal gasification urea plant."
