

The Vibrant Gujarat Global Summit 2024 will include a brand-new component—a thrilling tech show. This event is presently undergoing preparations.

According to sources in the state government, the programme will highlight emerging technologies such as industry 4.0, the internet of things (IoT), smart infrastructure, consumer technologies, and service technologies in a variety of industries, including finance, health, education, agriculture, the environment, and tourism, in addition to the initiatives of the Union government under the Digital India platform.

This tech show, known as the Vibrant Gujarat Global Tech Show, is scheduled to be inaugurated on January 9, 2024.

The business days of the show will be on January 10 and 11, while it will be open to the public on January 12 and 13.

The event will include reverse buyer-seller meetings, promotion of startups, and signing of MoUs related to the use of technology in different sectors.
