

Visaka Industries Ltd has informed exchanges about the commencement of commercial production.

The company said in a regulatory filing that it has scheduled to commence commercial production at Company's new unit (V-Boards Division - IV) situated at Udumalpet Village, Tirpur Dist, Tamil Nadu with an installed capacity of 50.000 MT per annum effective from January 1, 2022.

It may be recalled that Visaka Industries-led product ATUM Solar Roof had received patent from USA recently.
