

Reliance Industries (RIL) has placed an order for Rs 430 crore with Chennai-based VA Tech Wabag for a 53-MLD desalination facility in Jamnagar, Gujarat. Sea water reverse osmosis (SWRO) plant design, engineering, procurement, supply, construction, erection, pre-commissioning, commissioning, and performance guarantee test run are included in the EPC (engineering, procurement, and construction) scope of work under the RIL order for the world-class refinery in Jamnagar.

On the same property, Wabag has previously completed a 24-MLD SWRO plant.
