

Reliance Industries (RIL) has placed an order for Rs 430 crore with Chennaibased VA Tech Wabag for a 53-MLD desalination facility in Jamnagar, Gujarat. Sea water reverse osmosis (SWRO) plant design, engineering, procurement, supply, construction, erection, precommissioning, commissioning, and performance guarantee test run are included in the EPC (engineering, procurement, and construction) scope of work under the RIL order for the worldclass refinery in Jamnagar. On the same property, Wabag has previously completed a 24-MLD SWRO plant.
