

AFRY has been given a contract by Yash Pakka Limited to undertake a basic engineering study for an integrated brownfield expansion project at their Ayodhya facility.

AFRY is the top Integrated Project Consulting in the world for Pulp & Paper industry.

The framework of the Project is as follows:

- \* Specialty Paper Machine of 100 MT per day to lead towards flexible packaging with furnish, utilising max strength of Agro residue bagasse;
- \* Biofuel based 10 MW of Cogen plant;
- \* Pulp capacity enhancement by augmentation of Pulp Mill by another 75% (Environmentally Friendly Pulp backed by enhancing equivalent capacity of Recovery Island);
- \* Support infrastructure in line with increased output of Pulp and Paper Machine.
